

Welcome to CH & Co.

Mission Statement

Chapman, Hext & Co., P.C. strives to be a dynamic and progressive accounting, tax, accounting financial services and consulting practice, which serves as a model of self-sufficiency that can be achieved by providing outstanding quality service.

To obtain this goal, Chapman, Hext & Co., P.C. will endeavor to:

Build Company Strength, Profitability, Promote Professional Growth and Development by the following:

- Operate as a business-oriented accounting and accounting financial services practice
- Establish company recognition/goodwill not solely reliant on the Shareholders
- Maintain and expand a solid and reputable client base
- Repeatedly exceed client expectations and maximize repeat work
- Assure that quality work is delivered with efficiency and consistency
- Seek diversity of clientele, staff and project challenges
- Explore outside business opportunities related to the accounting and financial profession
- Encourage individual growth and leadership within the Company
